Materials

SMS

Spunbound Meltblown Spunbound are robust breathable fabrics, designed to offer a good barrier against hazardous particles and limited liquid splashes

Microporous PE Laminate

Polypropylene PE laminate is designed to offer a good barrier against hazardous particles and limited liquid splashes, while the micropores allow for some breathability

Non-microporous PE Laminate

Designed to offer a very good barrier against hazardous particles and certain liquid splashes and sprays

Multi-Layer Non-Microporous PE Laminate

Designed to offer an excellent barrier against hazardous particles and certain liquid splashes, sprays and jets.

Protection Types

Depending on the materials and construction, protective coveralls can be designed for either hazardous applications (certified to CE Category III) or non-hazardous applications.

Products for hazardous applications can be tested and certified to any of six different “Type” standards, providing guidance on suitability of use.

Protection Type	Standard	3M Coveralls
Type 1 Gas Protections		N/A
Type 2 Non-Gas Protection		N/A
Type 3 Liquid Jet Protection	EN 14605 EN ISO 17491-3	4570
Type 4 Liquid Spray Protection	EN 14605 EN ISO 17491-3	4565, 4570
Type 5 Particle Protection	EN ISO 13982-1	4510, 4520, 4530, 4535, 4565, 4570
Type 6 Limited Liquid Splash Protection	EN 13034 EN ISO 17491-4	4510, 4520, 4530, 4535, 4565, 4570

Important Notice

This guide is only an outline. It should not be used as the only means for selecting protective clothing. Before using any protective clothing, the wearer must read and understand the user instructions for each product. Specific country legislation must be observed. If in doubt, contact a safety professional. Selection of the most appropriate PPE will depend on the particular situation and should only be made by a competent person knowledgeable of the actual working conditions and the limitations of PPE.

Final determination as to the suitability of these products for a particular situation is the employer's responsibility. This information is subject to revision at any time. Always read and follow all User Instructions supplied with your 3M™ Protective Coveralls in order to ensure correct operation. If you have questions contact 3M Technical Service. LIMITATION OF LIABILITY: Except as provided above, 3M shall not be liable or responsible for any loss or damage, whether direct, indirect, incidental, special or consequential arising out of the sale, use or misuse of 3M PSD products, or the user's inability to use such products. THESE REMEDIES SET FORTH HEREIN ARE EXCLUSIVE.
