3M™ Scott™ Air-Pak™ SCBA.
Proudly Made in the U.S.A.

Air-Pak™ SCBA. A trusted name in respiratory protection.

Since its introduction in 1945, the Air-Pak™ SCBA has given you the confidence to move forward and get the job done. That's exactly why it's Made in the U.S.A. From our skilled engineers to our production teams, we're focused on one goal: Helping you get the job done safely.

Every 3M™ Scott™ Air-Pak™ SCBA is made in the U.S.A.

What does it mean to be Made in the U.S.A.? According to the Federal Trade Commission (FTC), Made in the U.S.A. means that “all or virtually all” of the product has been made in the United States. That is, all significant parts, processing and labor that go into the product must be of U.S. origin. Products should not contain any – or only negligible – foreign content. In compliance with this official definition, 3M Scott Fire & Safety is proud to declare that the Air-Pak™ X3 Pro SCBA and Air-Pak™ XD SCBA are Made in the U.S.A.
