NOTE

The remediation did not include a detailed inspection (beyond competent person), repair, or overhaul of the Sealed-Blok™ SRL, which we encourage you to have done on the service interval your organization requires.

During our competent person inspection, we noted:

- ☐ Signs of typical use.
- ☐ Symptoms of wear, corrosion, or aging that should be corrected at your next service interval.
- ☐ Certain degraded component(s) that could affect life safety, which were replaced or any other items of note:

Provide a copy with the unit for the owner.
Keep a copy of this document for the remediation record.
