# 3M™ Stainless Steel Cleaner & Polisher (Aerosol)

## Product Description

3M™ Stainless Steel Cleaner & Polish is a ready-to-use cleaner and polish, in an aerosol container. The product is a white foam to be dispensed onto a surface.

Product Line 600 ml aerosol can / 12 cans per case

## Product Characteristics

These are indicative values for unprocessed products. Contact your 3M representative for more information.

### Physical & Application

Appearance	thick white emulsion
pH value	9 - 11
Fragrance	citrus odour
Density	0.95 g/ml

The values above are the results of illustrative lab test measurements and shall not be considered as a commitment from 3M.

### Storage

Shelf life Use within two years from the date of manufacture on the sealed original box.

Storage conditions < 50°C, out of sunlight, original container.

The shelf life as defined above remains an indicative and maximum data, subject to many external and non-controllable factors. It may never be interpreted as warranty.

## Limitations of End Uses

3M specifically does not recommend or warrant the following uses, but please contact us to discuss your needs to recommend other products.

- Do not use on utensils. Do not spray in the presence/neighbourhood of food.

## Application

Suitable for use on a variety of interior surfaces such like: stainless steel, chrome, aluminium, brass and also on washable hard surfaces like laminated plastics, enamel, and ceramic. It also works on most plastic surfaces. Use as a routine cleaner and maintainer.

### Important Notice

Not allowed on surfaces directly in contact with food without cleansing and rinsing, and food not being present while using Stainless Steel Cleaner.

## Precautionary Statements

- Keep out of reach of children.
- Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking.
- Do not spray on an open flame or other ignition sources.
- Do not pierce or burn, even after use.
- Protect from sunlight. Do not expose to temperatures exceeding +50°C.

## Precautions for Safe Handling

Flammable aerosol. Do not use in a confined area with minimal air exchange. Do not breathe dust/fume/gas/mist/vapours/spray. Do not get in eyes, on skin, or on clothing. Do not eat, drink or smoke when using this product. Wash thoroughly after handling. Avoid contact with oxidising agents (e.g. chlorine, chromic acid etc.).

**Important Notice** Refer to the Safety Data Sheet (SDS) for specific physical properties, health hazard, first aid, environmental and additional precautionary information (SDS: 28-5313-3).

## Remarks
