

WHERE FLEXIBILITY MEETS PRECISION.

INTRODUCING SCOTCH-BRITE™ PRECISION RADIAL BRISTLE BRUSH

The Scotch-Brite™ Precision Radial Bristle Brush features 3M Precision-Shaped Grain for increased cut rate without sacrificing finish. Bringing a new level of productivity and abrasive life to the Scotch-Brite™ lineup while maintaining its unique attributes of conformability and consistency to deliver repeatable results.

Scotch-Brite™ Precision Radial Bristle Brush

This brush is extremely adaptable, conformable, and cleans with minimal pressure — making it ideal for manual and robotic processes.

- ▶ **Molded, abrasive-filled bristles deliver consistency while finishing, cleaning, blending, and deburring**
- ▶ **This wire brush alternative contains no wire filaments to help enhance user safety**
- ▶ **Conformable bristles require less operator manipulation**
- ▶ **Flexible bristles produce uniform finishes around protrusions, detail grooves, patterns, and other hard to reach areas**
- ▶ **Conformability allows abrasive to stay in contact with complex-shaped parts in robotic processing**
- ▶ **Ideal industries include fabricated metal, industrial machinery and equipment, electronics, automotive, and aerospace**
- ▶ **Available in ●50+, ●80+, and ●120+ grade options**

COMBINED benefits of two 3M technologies

We merged 3M Precision-Shaped Grain with the nonwoven web technology of our surface conditioning products to quickly and effectively clean and finish surfaces without changing the geometry or dimension of the base material.

Look for the 3M Precision-Shaped Grain icon!

Types of Bristles:

Straight - Type S
Rigid and very aggressive for cleaning and deburring, non-directional.

Angled - Type A
Rigid and very aggressive, similar to Type S but for smaller diameters, directional.

Curved - Type C
Less aggressive and more conformable, directional.

Product Selection and Use: Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. As a result, customer is solely responsible for evaluating the product and determining whether it is appropriate and suitable for customer's application, including conducting a workplace hazard assessment and reviewing all applicable regulations and standards (e.g., OSHA, ANSI, etc.). Failure to properly evaluate, select, and use a 3M product and appropriate safety products, or to meet all applicable safety regulations, may result in injury, sickness, death, and/or harm to property. **Disclaimer:** 3M industrial and occupational products are intended, labeled, and packaged for sale to trained industrial and occupational customers for workplace use. Unless specifically stated otherwise on the applicable product packaging or literature, these products are not intended, labeled, or packaged for sale to or use by consumers (e.g., for home, personal, primary or secondary school, recreational/sporting, or other uses not described in the applicable product packaging or literature), and must be selected and used in compliance with applicable health and safety regulations and standards (e.g., U.S. OSHA, ANSI), as well as all product literature, user instructions, warnings, and other limitations, and the user must take any action required under any recall, field action or other product use notice. Misuse of 3M industrial and occupational products may result in injury, sickness, death, or property damage. For help with product selection and use, consult your on-site safety professional, industrial hygienist, or other subject matter expert. For additional product information, visit www.3M.com. **Warranty and Limited Remedy:** Unless a different warranty is specifically stated on the applicable 3M product packaging or product literature (in which case such warranty governs), 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ARISING OUT OF A COURSE OF DEALING, CUSTOM, OR USAGE OF TRADE. If a 3M product does not conform to this warranty, then the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price. **Limitation of Liability:** Except for the limited remedy stated above, and except to the extent prohibited by law, 3M will not be liable for any loss or damage arising from or related to the 3M product, whether direct, indirect, special, incidental, or consequential (including, but not limited to, lost profits or business opportunity), regardless of the legal or equitable theory asserted, including, but not limited to, warranty, contract, negligence, or strict liability.
