Maintain the high standards of your manufacturing facilities with 3M Commercial Cleaning Solutions.

1 3M™ Easy Trap™ Sweep & Dust Sheets

Trap up to 8 times more dirt, dust and sand than with conventional flat-fringed cotton dust mops or a competitive sweeping dust cloth brand.* Can be used with your existing flat mop or high duster.

*Based on a study conducted by 3M.

6 3M™ High Capacity Maintenance Sorbent Roll

This material is perfect for lining drawers, covering workbenches or masking larger areas from mist and overspray. It's also good to have on hand in case there is a spill.

2 3M™ Easy Scrub Flat Mop System

Excellent for daily cleaning activities and ease of maneuvering around furniture. Helps cut chemical waste by 80% compared to a mop and bucket, with the operator-controlled dispensing mechanism.*

*Based on a study conducted by 3M.

7 Scotch-Brite™ Power Pad 2000

Scours 2–4 times faster than conventional commercial scouring pads, and is 6–10 times less abrasive than other medium-duty commercial scouring products to reduce scratching.*

*Based on a study conducted by 3M.

3 3M™ Stainless Steel Cleaner & Protector

Builds an invisible layer of protection on stainless steel surfaces, making them easier to clean and more resistant to fingerprinting and smudging. This water-based, oil-free formula allows for quick-drying, streak-free spot cleaning, which can help reduce labor and lower product consumption.

8 Scotch-Brite™ General Purpose Scouring Pad 96

Use these synthetic scouring pads for common cleaning jobs on a variety of surfaces.

4 Scotch-Brite™ Easy Erasing Hand Pad 4004

Ideal for removing stains, marks, ink and more. Just use water — no chemicals or sprays needed.

9 Scotch-Brite™ Light Duty Scrubbing Pad 9030

A convenient, thick, hand-sized pad designed for gentle, no-scratch cleaning of the most delicate surfaces.

5 3M™ Safety-Walk™ Slip-Resistant General Purpose Tread 600 Series

Help reduce trip hazards with a low-profile design. This mineral-coated, slip-resistant material is adhered by a durable resin to a pressure-sensitive, adhesive-backed plastic film.

10 Scotch-Brite™ Clean & Shine Pad

2-in-1 daily cleaning pad for low-speed scrubbers that gradually increases shine with repeated use.
