Maintain the high standards of your restaurant facility with 3M Commercial Cleaning Solutions.

1 Scotch-Brite™ Quick Clean Griddle Cleaning System

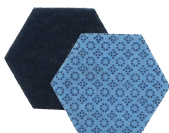

Use this system to clean your commercial flat-top griddle in minutes. Simply squirt, scour and squeegee. The griddle liquid loosens and lifts grease and food soil upon contact on a hot griddle for easy removal. The cleaning liquid is Green Seal™ Certified* and safe for use on food contact surfaces.

*Scotch-Brite™ Quick Clean Griddle Liquid meets Green Seal™ Standard GS-53 based on effective performance, minimized recycled packaging and protective limits on VOCs and human and environmental toxicity. GreenSeal.org

2 Scotch-Brite™ General Purpose Scouring Pads 96 and 97

Use these synthetic scouring pads for common cleaning jobs on a variety of surfaces.

3 Scotch-Brite™ Low Scratch Scour Pad 2000HEX

With up to four times the speed and up to 10 times less abrasion, the Scotch-Brite™ Power Pad 2000 cleans faster than the competition and reduces scratching.*

*Based on 3M laboratory study comparing competitive product.

4 Scotch-Brite™ Light Duty Scrubbing Pad 9030

This convenient, thick, hand-size pad is designed for gentle, no-scratch cleaning of most delicate surfaces.

5 Scotch-Brite™ Extra Heavy Duty Pot 'n Pan Handler 88

Our most aggressive scouring pad. Removes heavily encrusted baked-on food from pots and pans. Use in place of metal sponges. More aggressive than similar competitive pads, removing two to three times as much baked-on food from cookware and dishes.*

*Based on 3M testing.

6 Scotch-Brite™ Easy Erasing Pad 4004

Ideal for removing stains, marks, ink and more. Just use water – no chemicals or sprays needed.

7 Scotch-Brite™ Stainless Steel Hood Degreaser Wipes with Scotchgard™ Protector

A fast, easy, convenient way to wipe away grease on stainless steel hoods, while leaving behind a protective Scotchgard™ layer as you clean – making it easier to wipe off grease the next time.

8 3M™ Oil Quality Test Strips 1004

Easy to use and easy to read, 3M™ Oil Quality Test Strips eliminate guesswork and help keep the quality of fried food high. They help you save money by preventing premature disposal of shortening.

9 3M™ Easy Trap Sweep & Dust Sheets

Trap up to 800% more dirt, dust and sand than with conventional flat-fringed cotton dust mops or a competitive sweeping dust cloth brand.* Sheets contain a minimum of 60% recycled content and can be used with your existing flat mop or high duster.*

*Based on 3M testing.

10 3M™ Easy Scrub Flat Mop System

Help cut chemical waste by 80% versus mop and bucket, with the operator-controlled dispensing mechanism.*

*Based on a study conducted by 3M.

11 3M™ Glass Cleaner and Protector

With repeated use, 3M™ Glass Cleaner and Protector reduces fogging on windows and mirrors by leaving an invisible layer of Scotchgard™ Protector.

Concerned about food safety?

Scotch-Brite™ Professional Cleaning Products are certified as "Food Safe" and "Fit for Purpose" by HACCP International!
