**Nexcare® Liquid Bandage Spray** is a unique skin shield (protector) that doesn't sting when applied. It is alcohol-free and soothes minor skin scrapes and abrasions. When applied, the fine protection impermeable and responsive cover and protect the skin from further damage. The product may be used on adults, children, and infants over two months of age. **Nexcare® Liquid Bandage Spray** is alcohol-free and contains no fragrance or preservatives.

#### Directions:

1. Wash wound thoroughly. Make sure wound is clean and dry prior to application of **Nexcare® Liquid Bandage Spray**. Do not use if skin is broken.
2. Hold bottle of **Nexcare® Liquid Bandage Spray** 10-15 cm from the wound and spray on a coat that covers the wound.
3. Allow to dry. Takes about 30 seconds.
4. Once dried, apply additional coats if needed and allow to dry.
5. Apply a bandage over the spray when not in use to prevent accidental dispensing.
6. Reapply as necessary.

**Remove:** Product naturally wears off skin when desired, applying another coat and quickly wiping off can remove product.

**Do not use:** Only on those areas in situations that require dressing protection from bacterial contamination/penetration. On infected areas of skin. On large, deep or puncture wounds, serious burns or animal bites. On chronic skin conditions.

#### Warnings:

1. DANGER / EXTREMELY FLAMMABLE LIQUID UNDER DRY.

2. **Nexcare®** Liquid Spray is highly combustible/hazardous which is considered extremely flammable.

3. **Nexcare®** Liquid Bandage Spray is extremely flammable under the skin and vapors have dissipated.

4. **AUFLÖSEN DAS PRODUKT FÜR EIN MINIMUM VON 30 SEKUNDEN BEFORE USING ANY DEVICE THAT COULD PROVIDE A SOURCE OF HEAT OR IGNITION. THIS ALLOWS FLUID TO DRY AND VAPORS TO DISPENSE.**

5. Do not use **Nexcare®** Liquid Bandage Spray near fire or flame, heat, sports and sources of static discharge.

6. Do not use **Nexcare®** Liquid Bandage Spray near ignition sources or heating devices. In a well ventilated area.

7. **KEEP OUT OF THE REACH OF CHILDREN.**

**CAUTIONS:** For external use only. Do not ingest. Avoid spraying near eyes. Store away from heat.

#### Precautions:

1. If there are any signs of infection such as fever, pain, redness, swelling, itching, rash/irritation or burning, discontinue use and contact a healthcare provider.

2. Avoid contact with eyes.

3. Use of other products, ointments, creams or lotions may significantly reduce its effectiveness.

4. If **Nexcare®** Liquid Bandage Spray is applied on a area with skin folds or other skin-to-skin contact, make sure that skin contact is removed before spraying. This will allow the spray to dry before applying to the non-contact position.

5. When used on adhesive tapes, dressings, or devices **Nexcare®** Liquid Bandage Spray to thoroughly dry before covering with dressings or adhesive products.

6. Reapplication of **Nexcare®** Liquid Bandage Spray is necessary every time dressing or adhesive products are changed or when removing the dressing.

7. **TEIN DIR PÓRTICO DE LOS INFANTES.**

**AVERTISSEMENT:** Réservez à un usage externe. Ne pas ingérer. Évitez de pulvériser près des yeux. Stockez à l'écart de la chaleur.

**Précautions:** 1. En cas de signes d'infection telles que fièvre, douleur, rougeur, gonflement, démangeaisons, éruption cutanée/irritation ou brûlure, interrompez l'application et envisagez de contacter un professionnel de santé.

2. Évitez le contact avec les yeux.

3. L'utilisation d'autres produits, onguents, crèmes ou lotions peut réduire significativement son efficacité.

4. Si le pansement liquide **Nexcare®** Spray Pansement Liquide est appliquée sur une zone où la peau se plie ou est en contact avec de la peau, assurez-vous que les zones de contact ne sont pas exposées pour laisser le sécher correctement avant de les remettre en place.

5. Lorsqu'il est utilisé sur des bandages adhésifs, des pansements ou des dispositifs, laissez **Nexcare®** Spray Pansement Liquide sécher complètement avant de les retirer ou de les remplacer.

6. Une nouvelle application du **Nexcare®** Spray Pansement Liquide est nécessaire chaque fois que le pansement et/ou les produits adhésifs sont changés. Évitez de pulvériser sur l'adhésif.

**Importante:** Pour les personnes qui ont des allergies aux acrylates, polyacrylate, polyphénylméthylène.

**Stockage:** Pour optimale Ergonomie sollte das Produkt auf Raumtemperatur gelagert werden. Beachten Sie das Ablosblatt auf der Verpackung.

Fabrikat ohne Verlust.
