3M™ Industrial Sealing Tape IS1

When it comes to industrial sealing solutions, 3M™ Industrial Sealing Tape IS1 offers an alternative to traditional messy sealants. Designed for efficiency and reliability, this tape provides a consistent, easy-to-apply solution that ensures a robust water and vapor barrier. Whether you're dealing with joints, rivet areas, or tight spaces, our tape is engineered to meet your sealing needs with precision and ease.

Creates a Water and Vapor Barrier

Helps protect from water leakage at joints and rivet areas.

Aggressive Adhesive

Can be applied at low temperatures with minimal surface preparation.

Thin, Flexible Backing

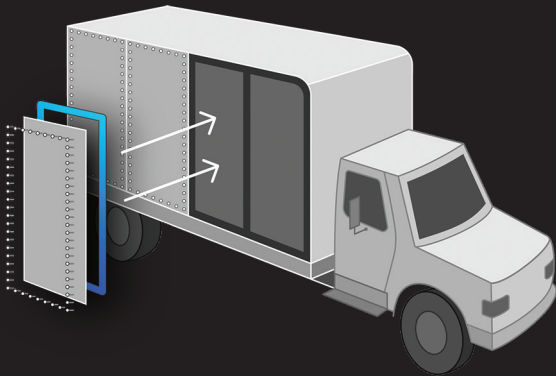

Can fit into tight spaces between panels and frames.

Find the Right Fit

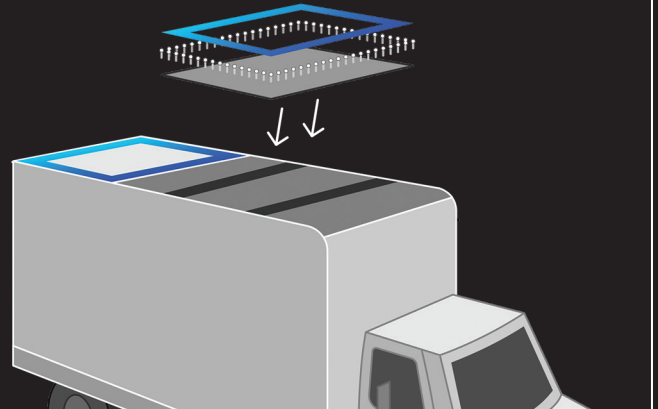

3M™ Industrial Sealing Tape IS1

- Rivet, Screw and Nail seal ability
- Thin, flexible backing
- Aggressive adhesive
- Great for sealing between surfaces

3M™ Extreme Sealing Tape 4410+, 4411+, 4412+

- Long term UV resistance
- Variety of thicknesses
- Made to seal over screw heads, rivets, joints and splices
- Great for sealing on roof tops

Product	3M Material ID	Width (mm)	Length (m)	Rolls/Case
3M™ Industrial Sealing Tape IS1, White	7100377318	50,8 mm	32,9 m	24
	7100376842	101,6 mm	32,9 m	12
	7100377266	1.524 mm	32,9 m	1

Specifications

 **Total Thickness**
10 mil (.25 mm)

 **Adhesion to Steel**
57 N/cm

 **Tensile Strength**
385 N/cm

 **Elongation at Break**
>700%

Take on Weather

You need a 3M™ Engineered Industrial Tape that provides a conformable, rugged and weatherproof seal.

Important Note

Product Selection and Use: Many factors beyond 3M's control and uniquely within users knowledge and control can affect the use and performance of a 3M product in a particular application. As a result, customer is solely responsible for evaluating the product and determining whether it is appropriate and suitable for customers application, including conducting a workplace hazard assessment and reviewing all applicable regulations and standards (e.g., EU OHS legislation, Management of Health and Safety at Work Regulations 1999 etc.). Failure to properly evaluate, select, and use a 3M product and appropriate safety products, or to meet all applicable safety regulations, may result in injury, sickness, death, and/or harm to property.

Warranty, Limited Remedy, and Disclaimer: Unless a different warranty is specifically stated on the applicable 3M product packaging or product literature (in which case such warranty governs), 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ARISING OUT OF A COURSE OF DEALING, CUSTOM, OR USAGE OF TRADE. If a 3M product does not conform to this warranty, then the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price.

Limitation of Liability: Except for the limited remedy stated above, and except to the extent prohibited by law, 3M will not be liable for any loss or damage arising from or related to the 3M product, whether direct, indirect, special, incidental, or consequential (including, but not limited to, lost profits or business opportunity), regardless of the legal or equitable theory asserted, including, but not limited to, warranty, contract, negligence, or strict liability.
