

**3M™ Cubitron™ 3 1169F Flap Disc**

<b>Product description</b>	3M™ Cubitron™ 3 1169F Flap Discs are a coated abrasive. Made from precision-shaped grain coated to a Polyester backing, converted into rectangular flaps and bonded onto a backing plate with a center hole. It is designed to be used with an angle grinder for many applications typical of such abrasive constructions, including but not limited to weld preparation, beveling, weld grinding, surface grinding, deburring and finishing where the periphery of the disc is not a major use requirement. The product is intended for use on mild/carbon steel, stainless steel and other heat sensitive substrates.
<b>Mineral</b>	3M proprietary re-engineered Ceramic precision-shaped grain (PSG)
<b>Construction</b>	Resin bonded Ceramic mineral coated on a Polyester Y weight cloth bonded to backing plate. Supersize applied to abrasive coating. INOX compliant. Meets US contaminant free specification, (Fe < 0.1%, S < 0.1%, and Cl < 0.1%)
<b>Backing plate</b>	Fiberglass reinforced type (all regions) USAC: molded resin threaded spin on type Product is to be used with guarded tools. The backing plate should not be trimmed as injury may result.
<b>Disc shapes</b>	Conical (convex) (T29) and Flat (T27) Check for local availability.
<b>Dimensions and grades</b>	Outer diameter 4", 4.5", 5", 6" & 7" (EN – 100mm, 115mm, 125mm, 150mm & 180mm). Bore sizes, 7/8 (EN 22.23mm) except 4" OD (EN 100mm) which is 5/8" (EN 15.88mm). USAC: Spin on threaded options, 4" x 3/8-24. All diameters above 4" are 5/8-11 thread Available in 40+, 60+ and 80+ grades. Check for local availability.
<b>Safety and storage recommendations</b>	Consult the product label and Product Safety Insert for instruction on safe use and any declaration of conformance to local standards. Product Safety Inserts are included with the shipped product and are also available on-line through <a href="http://www.3M.com">www.3M.com</a> . Always use appropriate PPE.  Incorrect storage could affect safety as well as product performance. Store the product in accordance with the Product Safety Insert. Use on first in-last out rotation basis.
<b>For additional information</b>	Please contact your local 3M Office or consult <a href="http://www.3M.com">www.3M.com</a> . To arrange for sales assistance, address your local 3M representative.

**IMPORTANT NOTICE TO PURCHASER:**

**Technical Information:** The technical information, guidance, and other statements contained in this document or otherwise provided by 3M are based upon records, tests, or experience that 3M believes to be reliable, but the accuracy, completeness, and representative nature of such information is not guaranteed. Such information is intended for people with knowledge and technical skills sufficient to assess and apply their own informed judgment to the information. No license under any 3M or third-party intellectual property rights is granted or implied with this information.

**Product Selection and Use:** Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. As a result, customer is solely responsible for evaluating the product and determining whether it is appropriate and suitable for customer's application, including conducting a workplace hazard assessment and reviewing all applicable regulations and standards (e.g., OSHA, ANSI, etc.). Failure to properly evaluate, select, and use a 3M product and appropriate safety products, or to meet all applicable safety regulations, may result in injury, sickness, death, and/or harm to property.

**Warranty, Limited Remedy, and Disclaimer:** Unless a different warranty is specifically stated on the applicable 3M product packaging or product literature (in which case such warranty governs), 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ARISING OUT OF A COURSE OF DEALING, CUSTOM, OR USAGE OF TRADE. If a 3M product does not conform to this warranty, then the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price.

**Limitation of Liability:** Except for the limited remedy stated above, and except to the extent prohibited by law, 3M will not be liable for any loss or damage arising from or related to the 3M product, whether direct, indirect, special, incidental, or consequential (including, but not limited to, lost profits or business opportunity), regardless of the legal or equitable theory asserted, including, but not limited to, warranty, contract, negligence, or strict liability.
