

# Scotch-Brite™ SB72 & SB74

## Synthetic sponge laminate Green / Yellow

Technical Data Sheet: TDS 272

Date: March 2023

### Description

The products SB 72 and SB74 are general-purpose cleaning tools which are a combination of a regular grade general purpose open textured non-woven web containing abrasive material, laminated with an adhesive, onto a synthetic sponge (not grooved).

### Product Advantages

- Excellent scouring performance.
- Easy to handle
- Conformable
- Doesn't release harmful ingredients
- Very long lasting.
- Can work in hot water and usual cleaning chemicals.

### Where and When to Use

Sponging and scouring walls, woodworks, tables, countertops, pots and pans equipment in the kitchen.

The Scotch-Brite™ SB72 and SB74 are efficient scouring products and should be used on surfaces not damaged by scratching.

It is not adapted for sanitary equipment's and bathroom cleaning.

Always test on an inconspicuous area of the surface to be cleaned prior to first use.
