

Personal Protection Products for Eyes, Ears, and Lungs

MRO
Essentials

Engineered to encourage proper use in many maintenance and repair operations

Protective products are effective only to the extent that they are used. That's why 3M designs and engineers products with features that encourage wearer acceptance and preference.

3M™ Particulate Respirator 8511 comfortably protects the wearer against dust in sweeping, sanding, and other Classification N95 operations.

- Patented one-way Cool Flow™ Exhalation Valve helps keep the wearer cool and dry
- Electrostatically-charged Electret Media catches dust and allows air through for easy, cooler breathing
- Adjustable nose clip for sealing

- Accommodates glasses, goggles, faceshield, and hearing protection
- Soft inner shell conforms closely to the face for long-term comfort
- Elastic straps for secure and comfortable fit to various head sizes

3M™ Protective Eyewear Series 1700 combines style, comfort and protection. Frameless low profile design sweeps around for side protection and rests lightly on the wearer. Hard-coated polycarbonate lenses meet American National Standard Practice for Occupational and Educational Eye and Face Protection, ANSI Z87.1-1989. Cleans easily with mild soap solution.

3M™ Corded Reusable Ear Plugs with flexible multiple flanges stay comfortably and securely in the ear canal to protect with a 24dB Noise Reduction Rating. Soft, cloth cord reduces chance of the plugs getting lost or falling to a dirty surface. Easily washed for reuse.

3M Personal Protection Products

Product Use: All statements, technical information and recommendations contained in this document are based upon tests or experience that 3M believes are reliable. However, many factors beyond 3M's control can affect the use and performance of a 3M product in a particular application, including the conditions under which the product is used and the time and environmental conditions in which the product is expected to perform. Since these factors are uniquely within the user's knowledge and control, it is essential that the user evaluate the 3M product to determine whether it is fit for a particular purpose and suitable for the user's method of application.

Warranty and Limited Remedy: Unless stated otherwise in 3M's product literature, packaging inserts or product packaging for individual products, 3M warrants that each 3M product meets the applicable specifications at the time 3M ships the product. Individual products may have additional or different warranties as stated on product literature, package inserts or product packages. **3M MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY IMPLIED WARRANTY ARISING OUT OF A COURSE OF DEALING, CUSTOM OR USAGE OF TRADE.** User is responsible for determining whether the 3M product is fit for a particular purpose and suitable for user's application. If the 3M product is defective within the warranty period, your exclusive remedy and 3M's and seller's sole obligation will be, at 3M's option, to replace the product or refund the purchase price.

Limitation of Liability: Except where prohibited by law, 3M and seller will not be liable for any loss or damage arising from the 3M product, whether direct, indirect, special, incidental or consequential, regardless of the legal theory asserted, including warranty, contract, negligence or strict liability.
