Sometimes it’s what your guests don’t see that makes an impression.

No dirt. No spills. No puddles. And no unsightly mop and bucket.
Better cleaning just got a lot easier.

Say goodbye to bulky string mops, buckets and flimsy tools and say hello to the superior performance of 3M Mopping Systems.

Experience how easy it is to achieve sparkling clean floors with total mopping solutions from 3M. Mops, scrubbing pads and cleaning chemicals designed to work together to provide beautiful, consistent results every time.

- Durable long lasting components are replaceable
- Remove more ground-in dirt for a deeper clean
- Disposable pad options for a healthier clean
- Specially formulated cleaning chemicals that clean, shine and disinfect a variety of hard floor surfaces
Discover the tremendous advantages of the one mop that can do it all. Two delivery systems. One tool.

Convert between bottle and backpack dispensing for cleaning large areas or applying floor finishes. Two delivery systems. One tool.

Convert between bottle and backpack dispensing for cleaning large areas or applying floor finishes.

Clean. Controlled. Simplified.

Bottle dispensing is convenient for daily cleaning and disinfecting.

Bottle dispensing is convenient for daily cleaning and disinfecting.

Floor cleaning, made easier.

- Improves performance up to 8X — ergonomic design reduces stress and strain on wrists, shoulders and waist
- Helps conserve chemicals up to 80% — uses the proper amount of solution for the job
- Versatile and adaptable — choose components best suited for your specific mopping or floor finish needs
- Easy to swap and refill cleaning fluid bottles — translucent bottles are easy to monitor, detect and refill
- Compatible with most general cleaning, disinfecting solutions PLUS floor finishes and protectors and can be used with plain water

Satisfaction Guarantee

100% Satisfaction Guarantee*  100% satisfaction guarantee: If you aren’t happy with the mop, you can return it within two (2) years for a comparable item.

Switch between trapezoid or rectangle shaped mop frames or replace when needed

Remove more ground-in dirt while cleaning your floors with the 3M™ Easy Clean Disposable Floor Mop Pad. Its unique scrubbing fibers remove even the most stubborn dirt and surface stains.

- Floor dries in 60% of the time when compared to a string mop
- Removes 30 more ground-in dirt versus microfiber flat mops
- Reusable — use the pad until it’s fully covered with dirt, then replace it
- Can be used wet or dry

Extend the life of your Scotch-Brite™ Professional 2-in-1 Flat Mop and Backpack Applicator Kit with genuine 3M replacement parts.

Economical and durable. 

Clean the toughest messes easily with the Scotch-Brite® Professional Standard Flat Mop. Discover the amazing cleaning power and performance in a lightweight, straight handle mop.

- Soft-touch trigger dispenses cleaning fluid from attached bottles directly and accurately to the floor, ensuring the right amount of cleaner is used.
- Compact design saves space on carts and in storage areas.
- Interchangeable with many Scotch-Brite® Professional 2-in-1 Flat Mop components, including aluminum rectangle and trapezoid mop frames.

Improved safety, accurate cleaning, sanitizing and disinfecting.

The right amount of chemical for each task.

Take the guesswork out of mixing, dispensing and using chemicals. 3M® Chemical Management Solutions are highly accurate and designed to reduce exposure to chemicals, which helps improve safety.

The right kind of chemical for each task.

3M’s concentrates are easy to use and clearly marked with numbered and color-coded labels to ensure proper use.

- 3M® Neutral Cleaner Concentrate
- 3M® 3-in-1 Floor Cleaner Concentrate
- 3M® Peroxide Cleaner Concentrate
- 3M® MBS Disinfectant Cleaner Concentrate
- and many more

Includes 3.2”–4.9’ adjustable mop handle, 16” frame, 12 bottles (11.5 oz.), bottle caddy, 2 microfiber pads, and pour jug (.5 gallon).

3M® Easy Scrub Flat Mops
Extremely lightweight, streamlined system has the cleaning fluid contained right in the mop handle. Dispense what you need with the simple push of a button at the top of the mop handle.

3M® Easy Scrub Jugs
Includes lightweight aluminum handle and frame. Mop holds 15 oz. of cleaning fluid. Weighs only 1 lb. 3 oz. (without fluid). Microfiber pad sold separately.

3M® Flat Mop Pads

3M® Easy Clean Disposable Floor Mop Pad
18” disposable floor mop pad harnesses the power of 3M® Sorbent technology to absorb and hold liquids. Unique embedded scrubbing fibers effectively remove stubborn dirt. Use dry, with water or with most floor cleaners and disinfectants. Compatible with flat mops designed with a hook and loop attachment system. Reusable — rinse until water runs clear, ring and let dry.
