

# 3M™ General Purpose Masking Tape 203

## A versatile solution with industrial strength.

3M™ General Purpose Masking Tape 203 is the cost-effective choice for many industrial, construction and repair applications. Whether you are bundling cords, hanging poly drapes, attaching production notes or masking for routine maintenance painting, this versatile tape is a reliable choice.

### Industrial Strength

Instant adhesion delivers the strength and holding power you rely on while hand tearability provides convenience and ease of use.

### Precision Masking

Sticks instantly, resisting lifting and curling while the crepe backing conforms and seals around corners, helping to create precise paint lines.

### Clean Removal

Resists temperatures up to 200°F (93°C) for up to 30 minutes and removes cleanly from most non-delicate surfaces for up to 3 days indoors and 24 hours outdoors.

### Versatile

Instant stick, strong adhesion and hand tearability make this a useful tape for a wide range of applications from bundling to sealing to indoor paint masking.

# Strong, versatile, reliable.

When you need versatility without sacrificing strength, look no further than 3M™ General Purpose Masking Tape 203. For more information on 3M Masking Solutions, contact your local 3M representative or call 1-800-362-3550 or visit [3M.com/masking](http://3M.com/masking).

**Product Selection and Use:** Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. As a result, customer is solely responsible for proper evaluation (including, but not limited to, fitness for purpose and suitability of application), selection, and use of 3M products. Safety products should always be selected and used in accordance with all applicable regulations and standards (e.g., OSHA, ANSI, and others), after conducting a proper hazard assessment. Failure to properly evaluate, select, and use a 3M product may result in injury, sickness, death, and/or harm to property. Dispose of used atomizing heads, residual paint/coatings, used containers/materials, and PPS in accordance with local regulations.

**Warranty, Limited Remedy, and Disclaimer:** Unless a different warranty is specifically stated on the applicable 3M product packaging or product literature (in which case such warranty governs), 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ARISING OUT OF A COURSE OF DEALING, CUSTOM, OR USAGE OF TRADE. If the 3M product does not conform to this warranty, then the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price.

**Limitation of Liability:** Except for the limited remedy stated above, and except to the extent prohibited by law, 3M will not be liable for any loss or damage arising from the 3M product, whether direct, indirect, special, incidental, or consequential (including, but not limited to, lost profits or business opportunity), regardless of the legal or equitable theory asserted, including, but not limited to, warranty, contract, negligence, or strict liability.
