DANGER! EXTREMELY FLAMMABLE LIQUID AND VAPOR. VAPORS MAY CAUSE FLASH FIRE. MAY CAUSE EYE AND SKIN IRRITATION. VAPOR HARMFUL.
Read carefully other cautions on the side/back panel.

DANGER! Extremely flammable liquid and vapor. Vapors may cause flash fire. May cause eye, skin, nose and throat irritation and may affect the central nervous system causing dizziness, headache or nausea. Vapor harmful. Intentional misuse by deliberately concentrating and inhaling the contents may be harmful or fatal.

3M™ Glass Cleaner is a concentrated cleaner that quickly and effectively removes smoke films, fingerprints and other soils from windows and plastic surfaces, and may also be used to assist in the removal of window stickers and adhesive residue. 3M™ Glass Cleaner does not contain ammonia and will not leave a filmy residue.

Directions for Use

CAUTION: DO NOT USE 3M™ GLASS CLEANER UNDILUTED. THE CONCENTRATED PRODUCT WILL STAIN VINYL AND LEATHER, AND MAY STAIN OTHER VEHICLE SURFACES.

1. Add 1 part concentrate to 14 parts water (approximately 1 cup per gallon).
2. Spray onto a glass or plastic surface and rub thoroughly using a clean, soft, dry cotton terry cloth towel.
3. Remove the final material with a clean, soft, dry terry cloth towel.

Contains: Acetone (67-64-1), 2-Butoxyethanol (111-76-2); Isopropyl Alcohol (67-63-0), Surfactant (Trade secret).

Precautions: Vapor may ignite explosively. Keep away from heat, sparks, open flame, pilot lights and other sources of static discharge. Extinguish all flames and pilot lights, and turn off stoves, heaters, electric motors and other sources of ignition during use and until all vapors are gone. Do not smoke when using this product. Use only with adequate ventilation. Prevent vapor build-up by opening doors and windows. Ensure fresh air entry during application and drying process. Exposure to heat or prolonged exposure to sun may cause bursting. Close container after each use. Store at temperatures below 120^{o}F (49^{o}C). Wash thoroughly after handling. Avoid eye and skin contact. Do not ingest. Avoid breathing vapors. For industrial use only.
KEEP OUT OF REACH OF CHILDREN.

Suggested First Aid: **Eye Contact:** Flush eyes with large amounts of water. If signs/symptoms persist, get medical attention. **Skin Contact:** Remove contaminated clothing and shoes. Immediately flush skin with large amounts of water. Get medical attention. Wash contaminated clothing and clean shoes before reuse. **Inhalation:** Remove person to fresh air. If signs/symptoms develop, get medical attention. **If Swallowed:** Do not induce vomiting. Give victim two glasses of water. Never give anything by mouth to an unconscious person. Get immediate medical attention.
