

THE SECRET'S OUT.

3M™ Cavilon™ No Sting Barrier Film saves time, protects longer and costs less.

If you are only using 3M Cavilon No Sting Barrier Film for treatment, we have good news. A recent incontinence dermatitis prevention study shows significant savings in labor and product costs using 3M Cavilon No Sting Barrier Film versus the leading barrier ointments. For a copy of the study or to find out more, visit our website or call the number below and let 3M help create a customized savings plan for your facility.
