

Description

Scotch-Brite™ Doodlebug™ Easy Erasing Pad 4610 is an effective cleaning tool that is used to remove marks and stains from various surfaces. It consists of a white polymeric foam cleaning pad bonded to a blue urethane foam sponge pad bonded to a cloth attachment layer.

Special Features

- Soft, flexible pad cleans many surfaces
- Blue urethane foam sponge holds water to keep pad moist, and keeps the pad intact over its useful life.
- Pad will not scratch glass, ceramic tile, fiberglass, porcelain, Formica® Laminate, metal, DuPont™ Corian® Solid Surface, marble, stainless steel, plastic, vinyl, and most wall coatings.
- Optimal performance of product is achieved when used with water alone. 3M does not recommend using detergents or sanitizing cleaners with this product.

Applications

Scotch-Brite™ Doodlebug™ Easy Erasing Pad 4610 is a versatile pad usable in hospitality, health care, education, and food service settings on a variety of surfaces. It is suitable for removing dried food grease, metal markings, food and beverage stains, hard water spots, soap scum, scuff marks, tape adhesive residues, wax, paint and plastic residues, and crayon, pen, and pencil marks.

Surfaces

- White boards
- Sports equipment
- Countertops
- Flat painted surface
- Tables, chairs, and walls
- Stainless Steel
- Hard and textured surfaces
- Vinyl seating
- Restaurant plates – metal marks
- Sneeze guards in food buffets
- Restaurant play areas and equipment

Catalog Number	4610
SAP ID	7000126851
Packaging Configuraton	5 pads/box, 4 boxes/case

General Use Directions

NOTE

3M does not recommend using chemicals with this pad. However, most chemicals will not affect the performance of this pad.

NOTE

The Scotch-Brite™ Doodlebug™ Easy Erasing Pad 4610 may dull glossy, plastics, or other soft surfaces, may change the appearance of some painted surfaces, and may remove finish from finished floors. Test in an inconspicuous area before adopting full usage of the pad on these surfaces.

1. Rinse under tap water.
2. Squeeze out any excess water.
3. Attach pad to pad holder.
4. Use the white side of the pad to wipe away marks and stains using moderate pressure.
5. Rinse pad after use, if needed.
6. Discard pad after multiple uses when white foam has worn away.

CAUTION

Keep all pads away from young children and pets to avoid choking and accidental ingestion.

CAUTION

Do NOT use on skin or other parts of the body. Doing so may cause abrasions.

NOTE

The pad will not remove all marks, especially on non-porous surfaces.

NOTE

The polymeric side of the pad may absorb and/or transfer some pigments.

Health and Safety

Tools and Equipment Usage

When using any equipment, always follow the manufacturer's instructions for safe operation.

Chemicals

When handling any chemical products, read the manufacturers' container labels and the Safety Data Sheets (SDS) for important health, safety, and environmental information.

[Follow this link to obtain information about substances of very high concern \(SVHC\) for EU products.](#)

Warranty Information

Technical Information

Technical information, guidance, and other statements provided by 3M are based upon records, tests, or experience that 3M believes to be reliable, but the accuracy, completeness, and representative nature of such information is not guaranteed. Such information is intended for people with knowledge and technical skills sufficient to assess and apply their own informed judgment to the information. No license to any intellectual property rights is granted or implied with respect to this technical information.

Product Selection and Use

Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. Customer is solely responsible for evaluating the product and determining whether it is appropriate and suitable for customer's application, including conducting a workplace hazard assessment, reviewing all applicable regulations and standards, and reviewing the product label and use instructions. Failure to properly evaluate, select, and use a 3M product in accordance with instructions or to meet all applicable safety regulations may result in injury, sickness, death, and/or harm to property.

Warranty, Limited Remedy, and Disclaimer

Unless a different warranty is specifically stated on the applicable 3M product packaging or product literature (in which case such warranty governs), 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY WARRANTY OR CONDITION OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ARISING OUT OF A COURSE OF DEALING, CUSTOM, OR USAGE OF TRADE. If a 3M product does not conform to this warranty, the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price.

Limitation of Liability

Except for the limited remedy stated above, and except to the extent prohibited by law, 3M will not be liable for any loss or damage arising from or related to the 3M product, whether direct, indirect, special, incidental, or consequential (including, but not limited to, lost profits or business opportunity), regardless of the legal or equitable theory asserted, including, but not limited to, warranty, contract, negligence, or strict liability.
