3M™ Scotchcal™ Graphic Film IJ35-10, IJ35-20

**NEW GRAY
ADHESIVE**

Promotional Imageability

Quality at the right price

Offer outstanding print quality in short term sign, architectural, display & exhibit, and POP applications at an economical price with 3M films IJ35-10 and IJ35-20.

The addition of gray adhesive allows 3M™ Scotchcal™ Graphic Films IJ35-10 and IJ35-20 to now be used in applications where hiding power is required. The quality and consistency of 3M promotional products coupled with this additional feature at the same great price make film IJ35 a go-to product for any shop. Use 3M™ Scotchcal™ Luster Overlaminates 8509 for graphic protection when required.
