

Film 680CR

3M™ Scotchlite™ Removable Reflective Graphic Film with Comply™ Adhesive Series 680CR, IJ680CR

The **ONLY** reflective film with air-release just got better!

Better slideability, better air-release and better removability for easier, faster, bubble-free installations and removal.

Key Features and Benefits

- Comply™ Adhesive has air release channels for easy, fast, bubble-free installations
- Pressure-activated adhesive allows for slideability
- Flexible construction for ease of application
- Printable on multiple imaging platforms

- Removable adhesive allows graphics to stay in place until you want to remove them with heat, leaving little or no adhesive residue
- Peace of mind using products that are tested and backed by 3M
