The power of portability.

Quickly respond to short-term traffic issues with
3M™ Diamond Grade™ Roll-Up Sign Sheeting RS24.

Roll with reflectivity.

Take charge of traffic control safety whenever and wherever it's needed with 3M™ Diamond Grade™ Roll-Up Sign Sheeting RS24. It lets you quickly and easily alert drivers to utility work, short term work zones and emergency situations. Diamond Grade™ optics provide the brightness and reflectivity of permanent signs—day or night, rain or shine. Keep traffic rolling with temporary signs that don't sacrifice performance for portability.

- ▶ Higher nighttime brightness than glass bead sheeting
- ▶ Wide-angle technology for greater reflectivity in compromised conditions
- ▶ Sheeting is backed with strong, flexible vinyl-coated fabric
- ▶ Easy to store and quick to set up
