

Film IJ170Cv3

NEW

3M™ Scotchcal™ Graphic Film with Comply™ v3 Adhesive IJ170Cv3-10

Uses

- Short to long-term removable film for fleet and vehicle graphics as well as interior and exterior signs, including applications to moderate compound curved, corrugated and riveted surfaces. Designed for: Piezo ink jet printing

Key Features and Advantages

- Comply v3 adhesive offers the ultimate in air release technology
- Good initial adhesion assists on compound curves and rivets
- Pigmented adhesive provides excellent hiding power
- Fast, clean removal from automotive clearcoats with heat
- Cast film for conformability and dimensional stability
- Pressure-Sensitive Adhesive

Benefits

- Non-visible air release channels
- No adhesive curing time minimizes vehicle off road time
- Great-looking graphics with no 'show through'
- Excellent finish, no edge lifting, shrinking or cracking and conformable on many difficult surfaces
- Value-priced option

- Peace of mind using products that are tested and backed by 3M
 - 3M™ MCS™ Warranty—the first finished graphics warranty in the industry and still going strong—gives peace of mind to discriminating users that require optimum performance for the intended life of the graphic
 - 3M Performance Guarantee—adding confidence to your choice when you use selected 3M media imaged with a broad selection of 3M-qualified OEM printers and inks
