

Scotch-Brite™ Big Blue Scour Pad No. 80CC

Large, blue scour pad designed for extra heavy duty cleaning.

Benefits

- Large size helps cover more area in less time
- Lasts longer than conventional pads
- Rinses out easily, will not splinter or rust
- Can replace stainless steel scrubbers and steel wool
- Can be folded over for easier grip

Features

- Made with durable synthetic fibers
- Abrasive particles are distributed evenly throughout the pad to help ensure consistent scouring
- Thick fiber, open mesh construction
- Can be used with strong acid cleaners which contain hydrochloric, nitric, phosphoric or sulfuric acid (*if properly diluted per manufacturer's instructions*)

Applications

- Use wet or dry to remove heavy food soil deposits and grime on:
 - Cookware (pots, pans, cooking utensils)
 - Food processing equipment
 - Kitchen equipment, broilers and maintenance equipment

Scotch-Brite™

Product Specifications
