

## Product Description

3M™ Cornerstone™ Floor Sealer/Finish is a water-based emulsion floor sealer/finish. It is milky-white in appearance and composed of resins, polymers, emulsifiers, surfactants, and water.

## Special Features

- Specifically designed to provide a brilliant, long lasting gloss
- Easy application with low mop drag
- Excellent leveling
- Quick dry time
- Resistant to black marks and scuffs
- Excellent slip resistance – meets James Static Friction test requirements of 0.5 minimum
- Responds quickly to spray buffing and burnishing

## Applications

- Resilient floors, terrazzo, quarry tile, brick, unglazed ceramic, and other stone floors
- Do NOT use on glazed ceramic tile
- Maintainable with either standard speed or high speed equipment and pads

## Packaging

- 2.5 gallon (9.5 l) bottle
- Two bottles per case

**NOTE:** Store 3M™ Cornerstone™ Floor Sealer/Finish so that it is protected from freezing.

## General Use Directions

### Initial Applications

1. Read all of the precautionary information prior to use.
2. Strip all old finish from the floor using a 3M™ stripping pad and appropriate 3M™ stripper.
3. Rinse the floor.
4. Allow the floor to dry thoroughly. Dust the floor with a 3M™ Doodleduster or 3M™ Easy Trap™ Cloth.

**NOTE:** The minimum application temperature for 3M™ Cornerstone™ Sealer/Finish is 50°F (10°C).

5. Apply three to four coats of 3M™ Cornerstone™ Sealer/Finish, allowing each coat to dry completely before applying the next coat (a minimum of 30 minutes).

### IMPORTANT NOTE

Do NOT pour unused product back into the original container.

**NOTE:** Coverage on very porous substrates (i.e. concrete, terrazzo) is 600-1,200 sq. ft/gal (14.7-29.5 sq m/l). On less porous substrates (i.e. composition vinyl tile) coverage is 1,200-2,000 sq. ft/gal (29.5-49.1 sq m/l).

Some of these links lead to web-based resources that are not product-specific.

## Cleaning

1. Dust mop the floor with a 3M™ Doodleduster or 3M™ Easy Trap™ Cloth.
2. Damp mop or auto scrub the floor as necessary using 3M™ Neutral Cleaner and a 3M™ Red Buffer Pad 5100 on an auto scrubber.

## Repair

1. Clean the floor with an appropriate cleaner and pad to remove any marks or debris.
2. Burnish the floor with an appropriate 3M burnishing pad.

## Precautionary Summary

**Eye Contact:** Contact with the eyes during product use is not expected to result in significant irritation.

- **Suggested First Aid:** No need for first aid is anticipated.

**Skin Contact:** An allergic skin reaction may occur. Signs and symptoms may include redness, swelling, blistering, and itching.

- **Suggested First Aid:** Immediately wash affected areas with soap and water. Remove contaminated clothing and wash before reuse.

**Respiratory Tract Irritation:** Signs/symptoms may include cough, sneezing, nasal discharge, headache, hoarseness, and nose and throat pain.

- **Suggested First Aid:** Remove person to fresh air.

**Ingestion:** Gastrointestinal irritation. Signs and symptoms may include abdominal pain, stomach upset, nausea, vomiting, and diarrhea.

- **Suggested First Aid:** If swallowed, rinse mouth.

**NOTE:** Refer to the product's safety data sheet (SDS: 18-2608-0) for specific health hazard, first aid, and precautionary information.

## Health and Safety

### CAUTION

When handling any chemical products, read the manufacturers' container labels and the safety data sheets (SDS) for important health, safety, and environmental information. To obtain SDS for 3M products go to [3M.com/SDS](https://www.3m.com/SDS). To request SDS by mail, or in case of an urgent situation, call 1-800-364-3577 or 1-651-737-6501.

When using any equipment, always follow the manufacturer's instructions for safe operation.

## Warranty Information

### Technical Information

Technical information, guidance, and other statements provided by 3M are based upon records, tests, or experience that 3M believes to be reliable, but the accuracy, completeness, and representative nature of such information is not guaranteed. Such information is intended for people with knowledge and technical skills sufficient to assess and apply their own informed judgment to the information. No license to any intellectual property rights is granted or implied with respect to this technical information.

### Product Selection and Use

Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. Customer is solely responsible for evaluating the product and determining whether it is appropriate and suitable for customer's application, including conducting a workplace hazard assessment, reviewing all applicable regulations and standards, and reviewing the product label and use instructions. Failure to properly evaluate, select, and use a 3M product in accordance with instructions or to meet all applicable safety regulations may result in injury, sickness, death, and/or harm to property.

### Warranty, Limited Remedy, and Disclaimer

Unless a different warranty is specifically stated on the applicable 3M product packaging or product literature (in which case such warranty governs), 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY WARRANTY OR CONDITION OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ARISING OUT OF A COURSE OF DEALING, CUSTOM, OR USAGE OF TRADE. If a 3M product does not conform to this warranty, the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price.

### Limitation of Liability

Except for the limited remedy stated above, and except to the extent prohibited by law, 3M will not be liable for any loss or damage arising from or related to the 3M product, whether direct, indirect, special, incidental, or consequential (including, but not limited to, lost profits or business opportunity), regardless of the legal or equitable theory asserted, including, but not limited to, warranty, contract, negligence, or strict liability.
