

Technical Data

Scotchgard™ Pretreatment Cleaner Concentrate

Description

Scotchgard™ Pretreatment Cleaner is a concentrated product formulated to loosen and suspend soil to allow heavy soil to be removed during carpet extraction.

Scotchgard™ Pretreatment Cleaner is formulated for use with Scotchgard™ Carpet Protector and is an important part of the 3M carpet care system.

Special Features

- Heavy-duty formula
- Low-foaming formula
- No sticky residue to cause re-soiling

Applications

- Commercial and residential carpets
- Most carpet fibers (nylon, polyester, olefins, wool and blends)
- Most carpet styles (loop or cut piles)
- Safe for use on stain-resistant nylon fibers

Packaging

4 1-gallon bottles per case

General Use Directions

Note:

Test the cleaner in an inconspicuous area to assure the carpet is colorfast. Apply ready-to-use solution to a small area. After several minutes, blot the carpet with a clean white cloth or paper towel. If color from the carpet transfers to the cloth or towel, discontinue use.

1. Vacuum the carpet area thoroughly.
2. Mix 1 part cleaning pretreatment concentrate to 8 parts water (16 ounces per gallon).
3. Add the ready-to-use pretreatment concentrate to a 3M™ All-Purpose Sprayer (Model AP-1) or a bulk pressurized sprayer.
4. Fill the carpet extractor with warm to hot water.
5. Spray the pretreatment cleaner to the carpet area at a rate of 200 ft. per diluted gallon.
6. Allow 1-3 minutes dwell time.
7. Provide agitation to heavily soiled areas using a brush or 3M™ Carpet Bonnet Pad (optional).
8. Extract the carpet using overlapping passes of the extraction wand.
9. Move the extractor slowly over the carpet, making two passes.
10. Dispense rinse water throughout the first pass.

11. On the 2nd pass, vacuum only – do not apply additional water.
12. Apply Scotchgard™ Carpet and Upholstery Protector Concentrate to carpet immediately following extraction cleaning.

NOTE:

Refer to product Material Safety Data Sheets (MSDS: 21-3979-8) for specific health hazard, first aid and precautionary information.
