

New Body Filler

Easy to mix, apply
and sand

3M™ Multi-Purpose Body Filler 50658

This new body-filler repair kit, comprising 1.5 kg Filler paste, Hardener and Spreader, has been developed by 3M to offer easy mixing, smooth spreading and good filling properties as well as quick and easy sanding. The filler cures and is ready for shaping and painting in just 10 minutes and can be used on bare and galvanised steel as well as aluminium.

- Easy sanding
- Quick curing time
- Good adhesion to a wide range of substrates
