Product Discontinuation Notice
Select 3M™ Half and Full Facepiece Respirator Kits

Dear Valued Customer,

3M Occupational Health & Environmental Safety Division (OH&ESD) will be discontinuing four 3M™ Half and Full Facepiece Respirator Kits. The individual product components of the kits, however, will remain available as separate products. Although these kits will be discontinued on January 1, 2010, these kits will be available through 3M Safety Distributors as long as supplies last. Please see the chart below for the discontinued products with the associated replacement options.
