3M™ Scratch Remover

Data Sheet

3M Part No.(s)	3M Part Descriptor(s)
39044	8 Ounce Bottle

Detailed Product Description

3M™ Scratch Remover is easy for hand or machine application, removes fine scratches and swirl marks, and is for use on cars, trucks, motorcycles and snowmobiles.

Features, Advantages, Benefits

Features	Uses fine minerals to remove the scratches from the paint and gradually bring back a high-polish finish. The formula contains no wax so scratches are polished out, not filled in with wax, and it is safe for clear coats.
Advantages	
Benefits	Applied by hand, it is easier to use than rubbing compound and doesn't require any tools. Is an ideal way to improve simple damage such as light-to-medium scratches, swirl marks, or paint imperfections with no hassles and no waiting. Car owners can make a repair that would cost the two to five times as much at a service center.

Typical Physical Properties

Container	8 Ounce Bottle
Color	White creamy
Flash Point	111 deg F - 113 deg F
Viscosity (CPS)	10,000 - 15,000 cps

Product Uses

3M™ Scratch Remover is a light rubbing compound recommended for use when detailing new and used vehicles. Scratch Remover has excellent handling characteristics and wipes off extremely easily, removes fine scratches and swirl marks while restoring the high gloss appearance.

Performance Properties

Directions for Use

1. Clean area with 3M™ Car Wash Soap (PN 39000) to remove any dirt and residue.

2. Dispense a quarter-sized amount of 3M™ Scratch Remover (PN 39044) on a clean, soft terry towel.
3. Rub over scratch using a firm circular motion until the 3M™ Scratch Remover (PN 39044) is dry.
4. Remove remaining product with a 3M™ Microfiber Detail Cloth (PN 39016)

Applications

3M™ Scratch Remover is recommended for use in detailing new and used vehicles.

Storage and Handling

Refer to Material Safety Data Sheet for storage and handling information.

Precautionary Information

Refer to Product Label and Material Safety Data Sheet for Health and Safety Information before using this product.
3M™ Scratch Remover is not a body shop safe product, and we do not recommend its use as a replacement for other light rubbing compounds found in body shop detailing areas.

Warranty and Limited Remedy

Technical Information: The technical information, recommendations and other statements contained in this document are based upon tests or experience that 3M believes are reliable, but the accuracy or completeness of such information is not guaranteed.

Product Use: Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product
in a particular application Given the variety of factors that can affect the use and performance of a 3M product, user is solely responsible for evaluating
the 3M product and determining whether it is fit for a particular purpose and suitable for user's method of application.

Warranty, Limited Remedy, and Disclaimer: Unless an additional warranty is specifically stated on the applicable 3M product packaging or product literature, 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY IMPLIED WARRANTY OR CONDITION ARISING OUT OF A COURSE OF DEALING, CUSTOM OR USAGE OF TRADE. If the 3M product does not conform to this warranty, then the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price.

Limitation of Liability: Except where prohibited by law, 3M will not be liable for any loss or damage arising from the 3M product, whether direct, indirect, special, incidental or consequential, regardless of the legal theory asserted, including warranty, contract, negligence or strict liability.
