3M™ MCS™ Warranty
For Traffic

Signage without the stress.

3M™ MCS Warranties. Added confidence for performance graphics.

You need great looking signs that meet ASTM industry specification. We've got you covered with warranties that put your mind at ease. 3M™ MCS Warranties provide you a system of trusted components, matched to meet your needs for producing regulated and non-regulated signage. Whichever imaging method you use, you can be confident in the performance of your signs.

3M Transportation Safety | 3M™ MCS Warranties

Quality and performance you can count on.

Warranties and durability

Our retroreflective sheeting, electronic cuttable films, digital printers, screen print, UVgel and latex inks, and UV overlaminates were designed and tested to help you deliver long-lasting signs to your customers. Finished signage using these materials are protected by the 3M™ MCS™ Warranty or the 3M™ MCS™ Warranty for Traffic.

As a world leader in weathering test standards, we use science, technology and innovation to help ensure your finished sign will last for its intended life.

- Up to 12 years of protection when using select 3M components
- Available for multiple imaging methods
- Available for several classes of reflective sheeting
- Multiple warranty tiers

3M™ MCS™ Warranty

Get protection for almost any application with a comprehensive non-regulated, finished sign warranty.

3M™ MCS™ Warranty for Traffic

Our warranty provides top-of-the-line coverage for regulated, finished signs. When you use 3M traffic sign materials, you get all the benefits of the 3M™ MCS™ Warranty, plus retroreflectivity retention and guaranteed traffic colors.
