3M™ Accuspray™ System  
HVLP Primer Gun

# Primed for success

It's like having  
a new gun  
for every job

*Thanks to the unique replaceable atomizing head of the 3M™ Accuspray™ Spray Gun it's like having a brand new HVLP primer spray gun every time you use it.*

- very lightweight and comfortable to use
- easy and quick to clean - reduces solvent use
- lowers overspray - reduces primer consumption
- excellent atomization gives a smooth, flat finish - decreases sanding time

Used with the 3M™ PPS™ Paint Preparation System, the Accuspray system minimises clean up whilst gaining maximum productivity improvements.
