3M introduces the new Virtua™ AP Protective Eyewear.

This safety eyewear offers a sleek unisex styling, lightweight comfort and exceptional value. Virtua AP meets both the newly revised High Impact Requirements of ANSI/ISEA Z87.1-2010 and the CAN/CSA Z94.3-2007 Standard.

The 3M Virtua AP is designed with high-wrap polycarbonate lenses and integral side shields to provide comfortable fit and ultimate protection.
Take a Look at Value with 3M™ Virtua™ AP Protective Eyewear

Virtua™ AP Features:
- Unisex styling
- A selection of “task-specific” lens tints
- Comfortable, lightweight frame – weight less than 1 oz
- High-wrap lenses fit snug against the face for a better viewing area
- Polycarbonate lenses absorb 99.9% UV rays
- Meets the High Impact Requirements of CSA Z94.3-2007 and the High Impact Requirements of ANSI Z87.1-2010

Multiple Lens Tints Available:
- Clear Lens – General everyday eye protection
- Gray Lens – Mainly for outdoor applications where a task specific lens is not required
- Light Blue Lens – Minimizes glare, eye stress, and fatigue often occurring in monochromatic (single color) yellow lit environments
- Amber Lens – Absorbs blue and ultraviolet light, and filters out hazy light; good for working outside at dawn and dusk
- Indoor/Outdoor – For tasks requiring frequent movement between indoors and outdoors
