

Because  
your most vital  
instrument  
is knowledge

**Basic content for all.  
Premium content for Littmann® Stethoscope owners.**

Explore exclusive educational tools throughout the 3M™ Littmann® Learning Institute. Our special sound libraries, tutorials and enrichment exercises increase your knowledge and refine your diagnostic skills. Some of these learning opportunities will be available online to anyone who is interested in honing his or her auscultation skills. Others are available for purchase. And many more will be available exclusively to registered owners of Littmann® Stethoscopes.

## Premium Online Content *Available free to registered owners of Littmann® Stethoscopes*

### 50 Heart and Lung Sounds Library

Use our 50 Heart and Lung Sounds Library as an extensive, quick and easy reference catalog any time. Find audio samples with waveforms and tips on listening, posture and chestpiece position.

### Advanced Cardiac Examination Virtual Trainer

Practice listening for the medical license exam, or just refine your auscultation skills with 15 Case Studies.

### Lessons in Auscultation: Lung Sounds

Refine your auscultation skills through audio waveform, illustrations and written descriptions of a range of typical and abnormal lung sounds.

### Lessons in Auscultation: Heart Sounds

Get a strong foundation with the collection of normal and abnormal heart sounds, and descriptions of how and when each sound is formed.

## Basic Online Content *Available to anyone at [www.littmann.com/education](http://www.littmann.com/education)*

### Heart & Lung Sounds

Listen online to normal and abnormal heart and lung sounds.

### About Stethoscopes

Learn stethoscope anatomy, history and about our exclusive tunable technology. Find out how to use and care for your new stethoscope.

## Additional Littmann® Education

### 3M™ Littmann® Soundbuilder Mobile App

The Littmann® SoundBuilder App for iPhone, iPod and iPad can be downloaded now from the App Store using your iTunes account. Enter "Littmann" in the search box and you'll find the cool auscultation skills training tool that features 14 unique lessons, customized waveforms, soundbuilding capability and awesome 3D heart animations.

### 3M™ Littmann® Listen-In Mobile Kit

Share sounds live with four other users of the 3M Littmann® Electronic Stethoscope Model 3200. (available for purchase)

Visit [www.littmann.com](http://www.littmann.com) frequently to stay informed on the Littmann Learning Institute, and to learn more about all Littmann® products.
