3M™ Air-Mate™ High Efficiency
Belt-Mounted Powered Air Purifying Respirator Systems

See important warning on last page

3M Automotive Aftermarket Division (AAD) product numbers are found in blue type on select products.

Discontinued end of 2019.

**Operating Altitude approx. Sea level to 14,100 ft. For altitudes above 14,100 ft., consider the 3M™ Versaflo™ TR-600 Series PAPR.**

**Medium/Large size comes with removable blue film covering the visor.**

These respirators help protect against certain airborne contaminants. Before use, the wearer must read and understand the User Instructions provided as a part of the product packaging. A written respiratory protection program must be implemented meeting all the requirements of OSHA 1910.134 including training, fit testing and medical evaluation. In Canada, CSA standards Z94.4 requirements must be met and/or requirements of the applicable jurisdiction, as appropriate. Improper use may result in injury, sickness or death. For correct use, see supervisor and User Instructions, or call 3M PSD Technical Service in USA at 1-800-243-4630 and in Canada at 1-800-267-4414.
