Care for yourself while you care for others.

3M™ Health Care Particulate Respirator and Surgical Masks 1860/1860S

Patient safety is your first priority. But it’s just as important to take care of yourself so you can continue to care for others. The 1860 and 1860S respirators help provide respiratory protection that you have trusted for years.

- Collapse-resistant cup-shape design
- Braided head straps for comfort
- Available in two sizes
- Fits a broad range of faces

WARNING

These respirators help protect against certain airborne particulates. Before use, the wearer must read and understand the User Instructions provided as a part of the product packaging. A written respiratory protection program must be implemented meeting all the requirements of OSHA 29 CFR 1910.134 including training, fit testing and medical evaluation. In Canada, CSA standards Z94.4 requirements must be met and/or requirements of the applicable jurisdiction, as appropriate. Misuse may result in sickness or death. For correct use, see supervisor and package instructions, or call 3M Health Care Helpline in USA at 1-800-228-3957 and in Canada at 1-800-563-2921.
