

# Arm Yourself for the upcoming Flu Season.

Contact your distributor to order your supplies today!

**FACT:** Worldwide, influenza results in about three to five million cases of severe illness, and about 250,000 to 500,000 deaths annually.<sup>1</sup>

**DEFENSE:** Hand antiseptics, respirators and masks

**Avagard™ Hand Antiseptics** – Kill greater than 99.999% of harmful bacteria in 15 seconds (*in vitro*)

**3M Respirators** – NIOSH approved N95 respirators help protect the wearer from certain airborne particles<sup>2</sup>

**Masks** – Minimize contamination from exhaled microorganisms

3M Infection Prevention Solutions

Lead  
The Way

1. World Health Organization Media Centre – <http://www.who.int/mediacentre/factsheets/fs211/en/index.html>

2. When worn properly and used in compliance with a respiratory protection program per OSHA Respiratory Protection standard 29 CFR 1910.134, NIOSH approved N95 respirators can reduce your exposure by up to a factor of 10. N95 respirators are NIOSH tested to meet a minimum 95% filtration efficiency for non-oil based particles.

# 3M Hand Antiseptics, Respirators and Masks

## Ordering Information

	Catalog #	Product Name	Description	Packaging
	9320A	3M™ Avagard™ Foaming Instant Hand Antiseptic	50 mL	25 each/case

### WARNING

These respirators help protect against certain airborne particulates. Before use, the wearer must read and understand the User Instructions provided as a part of the product packaging. A written respiratory protection program must be implemented meeting all the requirements of OSHA 29 CFR 1910.134 including training, fit testing and medical evaluation. In Canada, CSA standards Z94.4 requirements must be met and/or requirements of the applicable jurisdiction, as appropriate. Misuse may result in sickness or death. For proper use, see package instructions, supervisor, or call 3M Health Care Helpline in USA at 1-800-228-3957 and in Canada at 1-800-563-2921.
