Removable Poster Tape

Use instead
of push pins

- Double-sided removable tape
- Mount posters, photos and other lightweight items with no damage to walls*
- Use on wood, tile, painted walls, concrete, glass, metal, and more

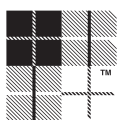

Instructions:

Use 101 mm (4 in) of tape for each 113 g (0.25 lb) of weight to be mounted (maximum 113 g / 0.25 lb).

Note: Removes cleanly from walls. May damage poster upon removal.

*Not recommended for use on wallpaper, delicate surfaces or walls painted with flat paint. May damage some substrates upon removal.
