Matting Edging

Low Profile

1.0 Product Description The product is a tapered vinyl strip for application to edges of vinyl or vinyl-backed matting such as 3M™ Nomad™ Carpet Matting 4000, 6500, 6600, and 8850.

2.0 Intended Use For use on vinyl matting to provide an edge that tapers to the floor.

3.0 Standard Sizes Rolls: 75 ft.

4.0 Color Black

5.0 Requirements The product shall be a low profile tapered vinyl strip suitable for application to the edges of vinyl or vinyl-backed matting.

Detailed Requirements:

<u>Property</u>	<u>Typical Values</u>
Thickness ASTM D418	Minimum: 0.11 inches (2.7 mm)

Hardness Shore A instantaneous	Minimum: 62 Maximum: 75
-----------------------------------	----------------------------

6.0 Packaging and Marking Packaging: Rolls – one per case

Marking: Each carton shall be marked with product name, size, color, and manufacturer's trade name.

7.0 Installation

Matting edging can be easily applied to 3M™ Nomad™ Carpet Matting.

Tools and materials needed:

Utility knife

Straight edge 3-4 feet long (90-120 cm)

3M™ Matting Edging – Kit or Roll

3M™ Matting Adhesive – one 3 U.S. fl. oz. (88 ml) tube of adhesive will apply approximately 15 ft. (450 cm) of edging.

For best results follow these guidelines:

Before applying edging, ensure that the matting and edging are relaxed and not stretched. Unroll the matting and edging and allow to reach room temperature. Do not stretch matting when applying edging.

1. Be certain sides to be edged are straight. Trim edges with a utility knife (not scissors) and a straight edge if necessary.
2. Cut length of edging to same length as edge of mat.
3. Place edging flat on the floor, grooved side up.
4. Apply two beads of adhesive liberally to the top of edging flap.
5. Place edge of mat on top of edging flap containing adhesive and apply moderate pressure.
6. Place a weight, such as a board, along the full length of the edging to assure a maximum strength bond. Allow to dry at least eight hours before placing matting into service.

8.0 Weight and Cube per Case

Size	Approximate Weight	Cube
Rolls	11 lb.	0.628 cu. ft.
